

Sunday 21 August 2022

Kia ora whānau,

The past few days have seen our city turned upside down. Our thoughts are with our whole Nelson community as it begins to process the devastation while preparing for the immediate future. We have seen images of a community being resilient and supportive throughout this time. Kia kaha Whakatū!

Due to the continued State of Emergency and for our students and staff health, safety and well-being our Board has made the decision to keep school closed for Monday 22nd August. This will give our principal and staff time to ensure we are ready to open for learning on Tuesday 23rd August.

In the meantime, we wish for you to stay dry and safe at home. If you need any help please don't hesitate to contact us.

If you require emergency support at this time please refer to <http://:nelsontasmancivildefence.co.nz>

Ngā mihi nui,
Sonya Hockley
Principal
