

Friday 2 September 2022

Tēnā koutou katoa,

Regarding: Monday 5th September at 5.30pm in our school hall.

A gentle reminder about this event. We look forward to welcoming as many of our whānau as possible to walk alongside us in this mahi(work).

As part of our ongoing commitment to Te Tiriti o Waitangi, our school has used the cultural survey Rongohia te Hau to measure the experiences of whānau, kaimahi(staff) and tamariki at our school. This framework uses data from surveys, alongside classroom observations to support our strategic direction and classroom practise. We have been engaging with this mahi over the past five years.

As part of this year's plan we would like to involve all of our community, whānau, iwi and our education partners to join us on this journey and contribute to the korero(talk, discussion), the planning and analysis.

We have a series of activities planned, that are part of this process and the dates for whānau and community involvement are below:

Monday 5 September 5.30- 7.00pm in the school hall.

'Rongohia te Hau' - purpose and process

An opportunity for whānau to contribute to what an ideal classroom at Auckland Point School and in Aotearoa New Zealand looks like, feels like and sounds like.

There will be kai(food) and refreshments.

Thursday 22 September 2022

Survey links to be sent to whānau

Surveys to be completed by whānau, staff and tamariki by 30 September 2022

Tuesday 1 November 2022 5.30-7.00pm

Analysing Survey Data- making sense of of the evidence and next steps.

This is a brilliant opportunity to contribute your voice to the future of our school for our tamariki. Please complete the form at the bottom of this page and return to school if you are coming for catering purposes and or require child care for the time of the meeting on 5 September.

We look forward to this exciting mahi(work).

Ngā mihi nui,

Sonya Hockley
Principal/Tumuaki

I am /We are attending the meeting on Monday 5 September . Number of people: _____
I would like childcare in the creche. I don't require childcare.

Names of child/ren: _____
