I am

I am curious and easygoing

I wonder if the world will ever be peaceful

I hear an ear breaking silence

I see an endless hallway

I want an awesome bike

I am curious and easygoing

I pretend to tiptoe past dad

I feel annoyed that the country is turning into candy

I touch a slippery slimy surface

I worry that I will not learn all my times tables

I cry when no-one likes me

I am curious and easygoing

I understand that nothing will ever be the same

I say that if you are born you will eventually die
