On the weekend, our school had a working bee. My Dad was working on the big adventure playground. He brought his sledge hammer and he smashed the cotton reel. Mum was working in the hall and I was playing with Otis, so we rode around. Mum watched me on the pump track and Harrison came too. We had lots of fun. By Rueben.

On Saturday it was the working bee. My Mum and Dad and I went to the working bee. My Mum did the sorting out in the hall. My Dad did the lawn mowing around the veggie garden. I played on my roller skates with Eden. There weren't many girls there. By Summer.

### **\*\*Saturday Working Bee\*\***

Thank you very much to all the families that came along to our school working bee last Saturday. There was an outstanding number of volunteers on the day. Your skills and efforts are very much appreciated. We now have a number of important jobs completed and the school is looking really smart. Great job!

On Saturday fabulous parents came to the working bee. There were easy jobs like planting plants and trees. They planted them up by the bell tower. There were some hard jobs like going around the field and mowing the edge of the field. My Dad took the job of going around the edge of the field. My Mum helped with the hall cupboard and up the stairs in the hall with some other Mums. It was cool that the Mums and Dads came and helped with the working bee. By Jack T

### **Watch this space!**

The children have been very busy creating and painting these wonderful rugby players....they are going to be placed amongst the daffodils in the grassy oval in front of the school. Just in time to support the RWC!
